D - 69117 Heidelberg

School of Biochemistry, Genetics,  
Microbiology and Plant Pathology  
and Centre for Electron Microscopy  
Pietermaritzburg Campus, UKZN

**Advanced light microscopy techniques for imaging dynamic cellular processes**

**Dates: 8-10 December 2005**

**APPLICATION FORM**

Name:.....  
Institution:.....  
Position:.....  
Address:.....  
.....  
e-mail:.....  
Cell:.....  
Phone:.....

Accommodation required

From: .....to.....

Background knowledge of fluorescence and confocal microscopy.....  
.....  
.....

Reason for wishing to attend course.....  
.....  
.....  
.....  
.....  
.....

**DEADLINE FOR PRELIMINARY APPLICATION 15<sup>th</sup> OCTOBER 2005**

**DEADLINE FOR PAYMENT 15<sup>th</sup> NOVEMBER 2005**
