

Application for Membership

Microscopy Society of Southern Africa

The aims of the Society:

- * To further microscopy and related topics in all branches of science.
- * To arrange meetings of microscopists and workers in associated disciplines.
- * To act as liaison between members of the Society and the International Federation of Societies for Microscopy and other bodies with similar interests.

A copy of the Constitution of the Society will gladly be supplied on request.

The annual conference of the Society is held during the first week of December. This is attended by local and foreign delegates. The Society organises lectures, workshops and user group symposia, and publishes the *Proceedings* of each annual conference and the newsletter, *MSSA News*.

Ordinary membership is open to all persons interested in any form of microscopy and related topics. Students not in full-time employment are eligible for a reduced membership fee.

Institutional membership is open to all scientific institutions, business firms or other corporate bodies which have an interest in microscopy, such a member nominating up to four representative members.

Annual membership fees:	Ordinary membership	R 70.00
	Student membership	R 35.00
	Institutional membership	R280.00

An entry fee of R30.00 is payable by Ordinary and Institutional members.
